for July 1926, kind reference is invited to this office letter No 229/A.i dated 26th May 1945 (copy of which is already furnished by the Revenue Commissioner with his letter dated 11-11-46) I have to state that as the claims relate to periods more than 13 and 20 years old, they are not susceptible of verification in the records of this office and the department will have to seek orders of Government furnishing independent evidence of conclusive nature to show that these amounts have not been paid so far

7) Re Regularisation of pay in grade 40-2-50 by waiving the irregularities pointed out by this office, I have no further remarks to offer re the grant of leave to the official for the period from 25-8-41 to 6-12-41 As already pointed out to the Deputy Commissioner, Tumkur, in this office letter No 100/A i dated 5-10-42, as this official has already been granted furlough in excess of that admissible under the rules, the question of granting him any more furlough leave does not arise and hence so much of the period from 25-8-41 to 6-12-41 equivalent to the period of Privilege leave admissible on 25-8-41 will have to be treated as Privilege leave and the rest as leave without allowances "8"

(12) The entry dated 19-3-1930 attested by the Amildar, Tiptur Taluk in the Service Register shows that the official was posted as acting clerk on Rs 40/ in the District Office and he has reported to duty on 15-2-1929 at the District Office Three increments raising his pay to 46 in grade 40-2-50 have been sanctioned from 19-11-1933 The Service Register does not show when exactly his previous increments raising his pay from 40 to 42 and 42 to 44 were sanctioned As the pay was raised from 40 to 46 on 19-19-11-1933, evidently his previous increments have not been sanctioned , As the service from 16-2-1929 to 19-11-933 excluding L W A for a period of about 3 months and 15 days admits of increments and as the Deputy Commissioner is not in a position to make out why the increments were not sanctioned then and there, the increments raising pay to 42 on 19-11-193[illegible] and to Rs 44 on 19-11-193[illegible] may be sanctioned and the official allowed to draw the arrears of pay of Rs 72/

13) The period from 29-8-1924 to 24-3-1926 may be treated as leave without allowances as recommended by the Revenue Commissioner

14) The pay and leave allowances for July 1926 may be disbursed and the delay condoned

15) As the official was relieved on 25-8-1941 before the Government Order dated 6th December 1941 permitting him to retire was issued, he may either be treated as having been retired from 25-8-1941 or in the alternative the period from 25-8-1941 to 6-12-1941 treated as leave at his credit and balance as leave without allowances

16) These irregularities could have been avoided if the Service Register put up in the file had been properly maintained The officers should realise their responsibility in the proper maintenance of Service records of subordinate officials as imperfect entries and omissions would lead to irregular payments

Sir,

Sub - Arrear claims and pension of Mr. G. Subba Rao, retired Head Clerk, Tumkur Town Municipal Office

---

I have the honour to invite reference to G.O No L 4707-9/Ml 55-41-22 dated 6-12-1941 sanctioning the retirement of Mr. G Subba Rao, Head Clerk, Tumkur Town Municipal Office, under note to Art 311 of the Mysore Service Regulations owing to his continuously unsatisfactory work Mr. Subba Rao was relieved even before the receipt of the G.O viz , on 25-8-41 and consequently he had to be treated as on leave (which he is entitled to) from 25-8-41 to 6-12-1941 (the date of the G.O. permitting his retirement from service) The Comptroller, whom the Deputy Commissioner, Tumkur District consulted as to the nature of leave which Mr. Subba Rao is entitled to, replied (vide his letter No.100/A1 -- dated 5-10-42, copy enclosed) stating that this Official has been granted furlough(both on full and half pay) for a period of 3 years and 10 days which works out to 4 years and one -- month furlough on half pay and that he has been granted furlough on half pay in excess for a period of one year and one month irregularly, as also furlough on full pay for 20 days in excess of that admissible under Art 209(i) Mysore Service Regulations and that the excess paid has to be recovered -- from his pension. It is also stated that he has drawn privilege leave allowances for the period from 24-4-29 to 1-7-29 and -- that this also has to be recovered

While the question of granting him leave for the period from 25-8-41 to 6-12-41 was being decided in consultation -- with the Comptroller, Mr. Subba Rao's representation praying for grant of arrears of pay due to him during the period from

p.t o

from 1930-31 to 1934-35 was also being investigated by the Deputy Commissioner, Tumkur The Deputy Commissioner reported, at last, in his letter No. A4 C 1127/43 dated -- 17-4-45 (copy enclosed) that an increment of Rs 6/- (three increments in grade Rs. 40-2-50) was sanctioned to Mr Subba Rao from 19-11-1933, raising his pay from Rs. 40/- to Rs 46/- in grade Rs 40-2-50, that arrears of pay due to him from 19-11-33 to the end of May 1934 amounting to Rs 33-6-0 -- were drawn and disbursed to him on 15-6-34 and that there were no references to show the circumstances under which the arrear increments raising his pay from Rs. 40/- to Rs. 46/- were sanctioned and why the same had been with held till 19-11-33 As the three increments are stated to have been sanctioned in a lumpsum on 19-11-1933, Mr Subba Rao has to get Rs 24/- for the 1st year of increment (upto 19-11-1931) and Rs 48/- for the 2nd year of increment (upto -- 19-11-1932) Another claim made by Mr. Subba Rao is re -- grant of arrears of pay and leave allowances due to him for the month of July 1926 It is reported that this Official was transferred from Tumkur to Madhugiri taluk in July 1926, that he joined duty at Madhugiri on 5-7-26 and went on leave from 7-7-26 to 29-7-26 and that the pay and the leave allowances due to him for the entire month were not drawn as the question of grant of leave applied for, then, had not been settled A bill for Rs. 31-10-0 on this account has also been submitted with letter No. A4 C.1127/43 dated 17-4-45 mentioned above for sanction The Comptroller, who was requested to furnish his opinion on these claims states in his letter No 229/A1 dated 26-5-45 (copy enclosed) that since the claims relate to periods ranging from 10 to 20 years, they are not susceptible of verification in his Office

As regards his pension question the Comptroller has returned his pension papers (after sanctioning an Anticipatory pension of Rs 18/- P M ) with memo No. 1353/27184 dated 27-3-46 (copy enclosed) raising 7 objections While some of the objections have been answered, the following objections, for

which replies have been received from the Deputy Commissioners concerned, do not appear to have been adequately answered and no further information can be obtained to meet them fully -

Objection No 18. "The date from which he was posted to work in grade Rs. 40-2-50 may kindly be recorded in the Service Register under proper attestation Why the increments were not sanctioned as and when they became due is not stated. Without the increments raising his pay from Rs. 40/- to Rs 46/- being sanctioned, how the increments raising his pay to Rs. 48/- and Rs 50/- were sanctioned may kindly stated The authority, if any, for such sanctions may also be quoted and a copy sent for reference"

In reply to this Objection, the Deputy Commissioner, Tumkur states (vide his letter No Sl C 1179/44-45 dated 16-4-46, copy enclosed) that the official was promoted to act as Head Clerk of Tiptur Taluk as per memo No L Dis Sl 1789/28-29 dated 19-1-29 but subsequently posted to the District Office, Tumkur, as per memo No L.Dis 2226/28 dated 14-2-29 He joined duty in the District Office and the entry has been attested in the Service Register. The Deputy Commissioner states further that the 3rd increment in grade Rs. 40-2-50 was given to this official on 19-11-1933 but adds that the circumstances under which the 1st two increments were not sanctioned cannot be ascertained at this distance of time

Objection No. 19 "On page 12 of Service Register, it is recorded that half the period, One year six months and twenty-six days, was treated as leave with allowances If so, the nature of leave and the periods of different kinds of leave granted may be recorded in the Service Register"

To this, the Deputy Commissioner, Tumkur states in his letter quoted above (enclosed herewith) that the official was given leave without allowances for one year and 3 months by the Deputy Commissioner, Shimoga from 28-8-24 and subsequently transfered to Tumkur District and that he joined duty there

on 24-3-26 thus absenting himself for a total period of 1 year,6 months and26 days . The Deputy Commissioner, quotes this Office No. C.2230/35 dated 3-1-28 in support of having treated half this period as leave with allowances This is obviously incorrect Besides it is not traceable as to where the official drew his leave allowances for the said period. Further, the entry on page 11 of his Service Register and duly attested by the Sub Division Officer, Shimoga, definitely states that he was granted leave without allowances for 1 year and 3 months. This must have been subsequently extended The entry on page 12, stating that half the period of 1 year 6 months and 26 days is treated as leave with allowances, is not borne out by facts In these Circumstances, it seems reasonable to presume that he was granted only leave without allowances for the entire period of 1 year,6 months, and 26 days. The relevant replies received from the Deputy Commissioners of Shimoga and Tumkur are also enclosed herewith.

Mr Subba Rao retired from service on 6-12-1941, i e nearly 5 years back All the information available in the subordinate Offices has been collected and no further particulars are forthcoming The available particulars do not furnish proper replies to the above two objections and the claim of Mr. Subba Rao regarding grant of arrears of pay as described in the earlier part of the letter remains unsettled In these circumstances and with a view to avoid further delay in the disposal of this case, sanction of Government may kindly be obtained to grant Mr Subba Rao arrears of pay Rs 72/- (24 plus 48) due to sanction of arrear increments raising his pay from Rs 40/- to Rs 46/- in grade Rs. 40-2-50 with effect from 19-11-1933, to the arrears of pay and leave allowances due to him for the month of July 1926 as claimed in the bill(enclosed herewith), to regularise his pay in grade Rs 40-2-50 by waiving the irregularities pointed out by the Comptroller and to calculate his pension on the basis of his available approved service, treating his absence from 29-8-24 to 24-3-36 as leave without allowances. On [illegible]

of orders of Government, the Comptroller will be requested to intimate the excess drawn by Mr. Subba Rao as leave allowances and the Deputy Commissioner, Tumkur District, will be requested to recover the same out of his pension.

The service register of the Official and the connected file of pension papers are enclosed herewith for reference.

I have the honour to be,
Sir,
Your most obidient servant,

Assistant Commissioner
for Revenue Commissioner.

Copy of the letter No 100/A i dated 5th October 1942 from the Comptroller to the Government of Mysore, Addressed to the Deputy Commissioner, Tumkur District.

---

With reference to your letter No. Sl C.789-42-43 dated 4-9-1942 forwarding for verification a statement of leave granted to Mr. G. Subba Rao and requesting to intimate whether the official is entitled to any kind of leave with allowances from 25-8-41 to 6-12-41, I have the honour to state as follows -

It is verified from the service register of the official that he has been granted the marginally noted kinds of leave He has therefore been granted furlough (both on full and half pay) for a period of 3 years and 10 days which works out to 4 years and one month furlough on half pay The total amount of furlough on half pay admissible to an officer during his entire service is only 3 years (vide Article 203 M S R ) and hence the official has been granted excess furlough on half pay for a period of one year and one month irregularly It is also seen that he has been granted furlough leave on full pay for 1 year and 20 days and therefore he has utilised 20 days furlough on full pay in excess of that admissible under Article 209(i) M.S.R In view of the above the furlough leave allowances paid to the official for one year and onemonth at half his pay have therefore to be recovered from his pension.

| F.F.P | 1- 0-20 |
| F.H.P | 1 11 20 |

As regards Privilege leave it is seen that though the official had earned only privilege leave of 5 days from 16-2-1929 to 18-4-29 (Privilege leave earned by the official prior to 16-2-1929 is considered to have been lapsed as he was granted leave without allowances for 10 days from 6-2-29 to 15-2-29) he has been granted privilege leave for 2 months and 13 days from 19-4-29 to 1-7-1929 and therefore the privilege leave utilised by him for 2 months and 8mdays from 24-4-29 to 1-7-29 is in excess The excess privilege leave allowances drawn for him for the period have therefore to be recovered He has also been granted excess privilege leave for 4 days from 2-10-1938 to 5-10-1938 and the leave allowances paid to the official for the period have also to be recovered

As the official has utilised the maximum furlough admissible to an ~~offxxxxx~~ officer and also excess of furlough in half day for one

one year and and one month, he is not entitled to any more furlough from 25-8-41 As regards privilege leave the amount of privilege leave at the credit of the official on 25-7-41 may be granted in lieu of furlough on full pay now sanctioned for 1 month with effect from 25-7-41 and the period for which it ~~xx~~ cannot be granted treated as L W.A.

The entires in the service register are not clear as to how the marginally noted periods of absence of the official have been treated

1 29-11-1925 to 24-3-1926 shown as L W A in the leave statement)
2 6-2-1929 to 15-2-29 -do-
3 8-3-1931 to 23-4-1931 (shown as F H P in the leave statment)

thgough in the statment enclosed they have been shown as F.H.P or L W A

This discrepancy has to be set right The absence of the Official on privilege leave from 20-5-1927 to 15-6-1927 noted in the service register is not shown in the leave statement sent for verification The statement of leave attached at the end of the service register is incomplete as regards the leave taken by the official subsequent to 15-6-1927

The Circumstames under which the official was granted furlough as well as privilege leave in excess of that admissible according to rules are not clear and it has to be explained as to how the irregularity escaped notice at ~~xxxx~~ the time of annual verification of the ~~xxrixx~~ service register of the official year after year

The service register of the official is herewith returned and its receipt may kindly acknowledged A copy of the statement of leave taken by the official prepared in this office with reference to the entires found recorded in his service register is also sent for reference This will have to be revised if required after the service register is completely posted as regards some period treated as furlough or L W.A in the leave statement and exact excess leave allowances drawn determined

Sub - Arrear increments and pay/~~xx~~ due to Mr G Subba Rao, Clerk, retired

---

I have the honour to forward herewith, the entire file of records ending with the Madhugiri Sub Division Officer's report No 2514 of 44 dated 7-12-1944 on the above [redacted] and to state as follows -

Mr G Subba Rao retired clerk applied to this office for the sanction of arrear increments due to him for the years 1930-31 to 1934-35 when he was Head Gumastha in 40-2-50 and for the payment of leave allowances for July 1926 in the Madhugiri taluk The official presented petitions stating that orders were passed by the then Deputy Commissioner on 3-5-1934 regarding the arrear increments due to him and that they have not been given into effect to etc From a perusal of the Service Register (herein enclosed ) it is seen that he was appointed as Head Clerk of the Tiptur Taluk as per memo No Sl.1789-28 dated 19-1-1929 but he did not join duty there He was then transferred to the District Office After he worked in this Office from 15-2-1929 to 18-4-29, he was again transferred to Tiptur Taluk He after availing the leave, reported for duty at Tiptur on 2-12-1929 and again he went on leave from 24th December 1929 He was transferred again to Chiknaikanhalli taluk and he joined duty there on 16-3-1930 He was afterwards transfered to Tumkur taluk on 24-4-31 and then to District Office on 12-10-1932

It is seen from the Acquittance Roll of this Office, that an increment of rs 6/- was sanctioned to this official from 19-11-33 raising his pay from rs. 40/- to 46/- in 40-2-50 The arrears of pay due to him from 19-11-33 to the end of May 1934 amounting to rs 33-6-0 was drawn in this Office and paid to him on 15-6-1934 There are no references to show the circumstances under which the arrear increments raising his pay to rs 46/- from s 40/- were sanctioned and why the same had been with-held till 15-6-1934.

The applicant's prayer is that he may be paid the arrears of pay viz rs 24/- for the 1st year of increment and rs 48/- for the 2nd year of increment as the same are due to him had the increments been sanctioned then and there.

From a perusal of the copy of the increment statement received from the Comptroller it is seen that the Auditor has remarked as noted in the margin There are no references in this office to show as to what action was taken according to this objection

His increment certificates raising his pay to rs 42/- and rs 44/- not sent and they have to be sanctioned by the Revenue Commissioner The present increment certificates does not furnish information as to the date on which his last increment was sanctioned

From the history of the service of the official from 18-4-1929 to 19-11

19-11-33 (the date on which his increment raising his pay to Rs 46/- were sanctioned) it is seen that out of a total service of 4 years and 7 months after deducting a period of 3 months and 15 days as leave without allowances he has put in more than 3 years of approved service

In these circumstances, I request that the arrears of pay due to the official on account of 1st and 2nd increments amounting to Rs 72/- may kindly be recommended to Government for sanction

As regards the 2nd prayer of the official it is seen from his service register that on his transfer to Madhugiri taluk from Tumkur taluk Office he reported for duty on 5-7-26, that he went on leave from 7-7-1926 and that he reported for duty again on 29-7-26 It is reported by the Amildar that his pay and leave allowances for the entire month of July were not drawn as the question of the leave taken by the officdal was not settled. Since he was entitled to 19 days privilege leave ( he had earned this leave from 1-12-25 to 1-7-26 out of a total period of leave availed of by the official from 7-7-26 to 28-7-26, 19 days was treated as privilege leave and the rest as Leave without allowances.

Accordingly the Amildar Madhugiri Taluk has submitted an arrear bill for Rs 31/10/for sanction.

In the above circumstances, I request that the delay may kindly be condoned and the arrears of pay may be recommended to Govt for sanction

Order No.L. 1782-4 Ml 5-46-125

Dated, Bangalore, the 31st July 1947.

The Revenue Commissioner reports that Mr.G.Subba Rao had been granted furlough both on full and half pay for a period of three years and ten days, which works out to four years and one month furlough on half-pay and that he has been irregularly granted furlough on half-pay in excess for a period of one year and one month as also furlough on full pay for twenty days in excess of that admissible under Article 209(i) - Mysore Service Regulations and that the excess allowances paid to him have to be recovered from his pension Further, he has drawn privilege leave allowance for the period from 24th April 1929 to 1st July 1929 and this amount has also to be recovered from him.

The Revenue Commissioner adds that, while the question of the grant of leave for the period from 25th August 1941 to 6th December 1941 was under consideration in consultation with the Comptroller to Government, Mr.Subba Rao's representation for the grant of arrears of pay due to him for the period from 1930-31 to 1934-35 was also being investigated by the Deputy Commissioner, Tumkur. Three increments due to him during the above period were sanctioned to him in a lump by the Deputy Commissioner, Tumkur District, on 19th November 1933, raising his pay from Rs.40/- to Rs.46/- in the grade of Rs.40-2-50. He has drawn the amount. But a sum of Rs.24/- towards the intervening increments for the period of the first year up to 19th November 1931 and of Rs.48/- for the second year up to 19th November 1932 were not sanctioned.

It is also stated that a sum of Rs.31-10-0 by way of pay and leave allowances for July 1926 is also due to him, as the question of sanctioning his leave for the period from 7th July 1926 to 29th July 1926 had remained unsettled.

As regards Mr.Subba Rao's pension, the Revenue Commissioner states that an anticipatory pension of Rs.18/- was sanctioned and that his pension papers were returned for rectifying certain discrepancies.

The Revenue Commissioner recommends that Mr.Subba Rao may be granted the arrears of pay and leave allowances for July 1926, the arrear increments amounting to Rs.72/- for the period up to 19th November 1931 and 19th November 1932, that the irregularities pointed out by the Comptroller may be waived, that the pension may be calculated on the basis of his available approved service, treating the period of his absence from 29th August 1924 to 24th March 1926 as leave without allowances and that the excess amount drawn by him may be ordered to be recovered from his pension in consultation with the Comptroller. The Revenue Commissioner

On a consideration of all the facts of the case, Government are pleased to sanction the recommendation of the Revenue Commissioner and direct that Mr.Subba Rao be treated as having been retired from service with effect from the 25th August 1941. The Revenue Commissioner is requested to arrange for the granting of the final pension to Mr.Subba Rao very early.

Government are constrained to obsdrve that the several irregularities referred to above and the confusion caused and the long correspondence which has ensued could have been avoided if the services register of the official had been properly maintained. The officers concerned should realise their responsibility in regard to the proper maintenance of service records of subordinate officials, as imperfect entries and omissions would lead to irregular payment.
